ICT – Information and Communication Technologies
PSA – Psychology, Sociology and Arts
OMM – Operations, Management and Marketing

SMART

=

Lightness

+

Quickness + Exactitude

+

Visibility + Multiplicity + Consistency

Italo Calvino 1985-1986 - *Six memos for the next millennium*

Smarter education will involve:

- More support from interactive technologies
- Improved understanding of the service needs of people
- Deep knowledge and multidisciplinary skills: “T-shaped”
- More creativity and focus on innovation
- Permanent concern with the environment
