

Hardware withdrawal: IBM Power Systems selected servers and hardware features -- Some replacements available

Table of contents

1	Overview	6	Replacement product information
1	Withdrawn products		

Overview

Effective November 26, 2010, January 7, 2011 and April 29, 2011, IBM® will withdraw from marketing the following IBM Power Systems™ products. On or after the effective dates of withdrawal, you can no longer order these products directly from IBM.

- IBM 7998-61X JS22 BladeCenter®
- IBM 7042-CR5 Hardware Management Console
- Selected IBM Power® features
- Selected features conversions

You can obtain the products on an as-available basis through IBM Business Partners.

If you have a continuing need for these products, visit our IBM Certified Used Equipment™ website to check on availability or utilize our request a quote to communicate your specific requirements. IBM Certified Used Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days. For further information, visit
