

# Let's go further together

## Introducing IBM Partner Plus

IBM Partner Plus™ offers true partnership, built on mutual success, and the belief that we can make greater progress together. Our partner program delivers a simple, easy-to-use experience that puts you in control of your earnings and gives you access to premium expertise.

As a partner, you become part of an extensive network with exclusive access to IBM technology, training, and technical support. And you'll have insider access to strategies on selling IBM's hybrid cloud and AI solutions stack—uniquely positioning you to help customers take full advantage of all that IBM has to offer and accelerate their journey to the cloud with a hybrid multi-vendor approach.

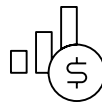

Our collaborative ecosystem creates more market opportunity and helps you reach new clients through our global network of sellers, partners, enterprise clients and digital marketplaces.

## More growth. More expertise. More benefits.

Collaboration is the key to innovation, so we'll work together to build a relationship that grows with your business. You'll get insider access to all the tech and resources IBMers get, along with the enhanced incentives and comprehensive support needed to start winning on day one.

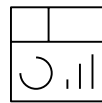

## The IBM Partner Plus advantage

As a partner, you'll have access to:

### Competitive incentives

Discover more ways to increase your earning power with our new incentives. Get real-time visibility into earnings and deal eligibility, so you'll always know how much you stand to earn.

### Insider access

Access the same education programs and hands-on training as IBMers. Get competitive pricing, predictable costing based on industry standards, deal protection, special bid access, and flexible payment options—to gain the extra edge you need to win big and to allow you to control.

### Enhanced support

Leverage our global technical resources to differentiate and close deals faster. Accelerate your journey to build and sell your solutions with IBM technology.
