IBM CLOUD PAK FOR INTEGRATION BY THE NUMBERS

Three-year risk-adjusted

VOICE OF THE CUSTOMER

“We use IBM Cloud Pak for Integration to integrate all of our business and data applications very easily from the cloud. It is the simplest system, especially compared to the complex system we had previously.”

 *VP, infrastructure tech lead analyst, financial services*

“By utilizing IBM Cloud Pak for Integration, we can sync information from on-prem solutions to cloud solutions to give much more real-time information than what we had in our previous environment.”

 *Director of IT, healthcare*
