

THE Storage Solution

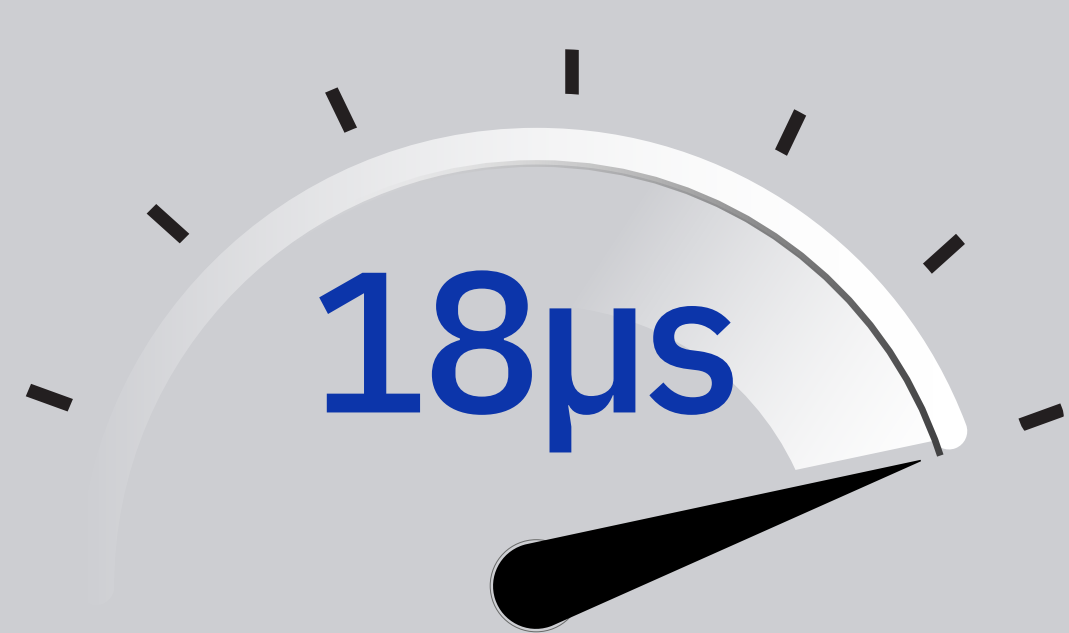

Designed to Match the Mission Critical Capabilities of IBM Z and LinuxONE

IBM DS8900F

AIM TO **MAXIMIZE** THE POWER OF YOUR MAINFRAME SOLUTIONS

Build with Flexibility

RESPONSE TIME
to Unleash the Power of Data¹

SEAMLESS HYBRID
Multicloud Integration
with Transparent Cloud Tiering

Deliver with Confidence

ENTERPRISE RESILIENCY 99.999999%
WITH AVAILABILITY

HIGH LEVEL
of business uptime
to meet the needs
of your enterprise

Protect the Future

OUTSTANDING DISASTER RECOVERY

Configurations, with 3 and 4 Site Replication with two to four seconds RPO²

100%

data encryption,
at-rest, in-flight
& in the cloud

FAST, RESILIENT, SECURED
