By car:

Important remark for visitors coming by car:

Since January 1st 2018, BLS is located within the **Low Emission Zone (LEZ)** of the Brussels Capital Region.

If you are planning to come with your own vehicle, please verify that your vehicle is allowed in this LEZ. For visitors whose vehicle is registered outside Belgium you must register, using an electronic form, before your visit.

This registration application is free of charge.

All information can be found at <https://lez.brussels/en>

Driving directions:

- Coming from Brussels:
Go to the Avenue Leopold III and follow that avenue. Take the exit to the right just before the tunnel to drive on the parallel road (Avenue du Bourget) until the first roundabout. Take the first exit on this roundabout. Then take the first exit on the next roundabout to enter the industrial estate. Take the second exit on the following roundabout and follow the signs towards the parking of IBM.
- Coming from the North or West (Antwerp, Gent,...):
Coming from the Ring around Brussels: take the exit Zaventem Airport, and take the right lane immediately. Take the exit A201 Evere – Zaventem, and follow the direction Evere. Take the exit just before the tunnel. At the roundabout take the fourth exit. Take the second exit on the following roundabout and follow the signs towards the parking of IBM.
- Coming from the East (Waterloo,...):
Follow the outer ring until the exit Diegem-Woluwelaan. Take that exit and follow Vilvoorde/Diegem-Woluwelaan/Evere/Luchthaven Zaventem. Follow the R22 and take the exit A201 in the direction of Brussels-Evere. Take the exit just before the tunnel. At the roundabout take the fourth exit. Take the second exit on the following roundabout and follow the signs towards the parking of IBM.
