

Hardware withdrawal: Select IBM Power Systems features

Table of contents

- 1 [Overview](#)
- 1 [Withdrawn products](#)
- 3 [Replacement product information](#)

Overview

Effective September 30, 2022, and December 31, 2022, IBM^(R) will withdraw from marketing features in the [Withdrawn products](#) section.

On or after the effective dates of withdrawal, you can no longer order these products directly from IBM.

You can obtain the products on an as-available basis through IBM Business Partners.

If you have a continuing need for these features, go to the [IBM Certified Pre-owned Equipment](#) website to check on availability or utilize the request a quote to communicate your specific requirements. IBM Certified Pre-owned Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days.

Withdrawn products

The following features are being withdrawn on the specified models of the IBM Power^(R) Systems machine types:

Effective September 30, 2022
