

## Visit IBM Watson Health - Booth #6459

Explore Watson Health solutions and capabilities from across the entire IBM portfolio of technologies and services.

Round the clock demonstrations, education, executive meetings and networking.

Learn how IBM capabilities and consulting services are helping organizations to transform and empower their leaders with innovative solutions:

- **IBM Theater:** showcase clients and partners and their stories of success, innovative solutions and key initiatives. Sessions run at the top and bottom of each hour. [Schedule of Sessions](#)
- **IBM Think Tanks:** explore topics and technologies that matter most to your business providing deeper- dive discussions and learning experience. Sessions start at top of hour. [Think Tank Schedule](#)
- Seating for all sessions is on a first-come, first-served basis.

For more than a century IBM has been dedicated to every client's success and to creating innovations that matter for the world.

With Watson Health, we are helping to solve some of the world's most pressing challenges through data, analytics and AI.

Together with our clients and partners, IBM is putting AI to work.
