IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. IBM Global Financing lease and financing offerings are provided in the United States through IBM Credit LLC. Rates and availability are based on a client's credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. This offering does not guarantee that credit will be provided. Non-IBM content which is part of an overall IBM end user client solution may also be eligible for financing through IBM Global Financing. Non-hardware items are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries. IBM and IBM Global Financing do not, nor intend to, offer or provide accounting, tax or legal advice to clients. Clients should consult with their own financial, tax and legal advisors. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client. For IBM Credit LLC in California: Loans made or arranged pursuant to a California Financing Law license.
