

A partnership you can count on.

Warranty Service Upgrade

Rely on IBM Technology Support Services to help you get the most from your IT Infrastructure.

Service that's there when you need it—not just during business hours.

Upgrade your current manufacturer warranty with prompt, onsite technical support in the event of a problem.

With IBM TSS Warranty Service Upgrade, you'll get:

24x7 service

We've got you covered around the clock.

Onsite support

Not remotely—we're physically there on site.

Quick response

We respond fast if there's a problem to shorten the outage.

Business continuity

Your staff can stay focused on business-critical goals.

IBM TSS Warranty Service Upgrade helps you reduce:

Hardware-related downtime

Potential repair costs

Loss of data, revenue, and productivity

Increased IT availability and reduced risk exposure can help improve client satisfaction.
