Overview

Effective immediately, the technical information for the IBM^(R) Power^(R) Private Cloud Rack Solution (feature indicator ELG2), as announced in Hardware Announcement [ZG21-0012](#), dated February 9, 2021, has changed.

In addition to the current Power Private Cloud Rack Solution, an IBM POWER9TM-based offering is available in a cost-efficient deployment size. This additional IBM Power Private Cloud Starter Solution includes:

- Hardware stack
 - At least one IBM Power S922 server node
 - Optional IBM FlashSystem^(R) 5200 storage enclosure
- Software stack
 - Red Hat^(R) Enterprise Linux^(R) (RHEL) 8 for POWER9
 - IBM PowerVM^(R) Enterprise Edition
 - Optional IBM PowerVC for Private Cloud 2.0
 - Red Hat OpenShift^(R) Container Platform

If you have Red Hat entitlements for OpenShift Container Platform or RHEL 8, they can be deselected from the solution edition in e-config. A proof of entitlement for each software license will be requested and mandatory in order to authorize the manufacturing and shipping of the solution.

Note: Until June 30, 2022, clients will be allowed to order a Private Cloud Rack Starter Solution edition without proof of entitlements for OpenShift Container Platform or RHEL 8 for POWER9.

Effective date

April 26, 2021

Availability within a country is subject to local legal requirements.

IBM Global Financing

IBM Global Financing offers competitive financing to credit-qualified clients and IBM Business Partners to assist them in acquiring IT solutions. Our offerings include financing for IT acquisition, including hardware, software, and services, from both IBM and other manufacturers or vendors. Offerings (for all client segments: small, medium, and large enterprise), rates, terms, and availability can vary by country. Contact your local IBM Global Financing organization or go to the [IBM Global Financing](#) website for more information.

IBM Global Financing offerings are provided through IBM Credit LLC in the United States and other IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates are based on a client's credit rating, financing terms, offering type, equipment type and options, and may vary by country. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice.
