Overview

When it comes to maintaining your systems and devices, you want to procure critical services as easily as possible. Storage Expert Care provides easy access to IT services that can help you avoid longer procurement and contracting processes by enabling the acquisition of service support during the product purchase transaction.

IBM^(R) Storage Expert Care services for IBM Spectrum^(R) Fusion are enabled for up to five years of support. Clients that require additional years for the same services provided by Expert Care can request a quote using the special bid process. Contact your IBM representative.

Storage Expert Care Basic

- Hardware Maintenance (HWMA) support with next-business-day onsite response and enhanced response time to 9x5 next-business-day onsite repair
- Software support and services Software Maintenance Agreement (SWMA)

Storage Expert Care Premium

- Warranty Service Upgrade for the first year of Storage Expert Care with same day onsite repair, 24 hours a day, 7 days a week
- HWMA support with same day onsite repair for additional years of Storage Expert Care, 24 hours a day, 7 days a week
- Software support and SWMA
- Predictive support with predictive alerts that are collected and analyzed by IBM representatives and if immediate action needs to be taken in order to avoid or prevent an incident, an action plan will be discussed with client
- Enhanced response time for defect support:
 - Response time is defined as the elapsed time between technical support receipt of the client problem submission and the acknowledgment of the submission
 - Includes 30-minute targeted response time objectives for Severity 1 and 2 problem reports
- Remote Code Load upgrades are provided by IBM remote support representatives up to twice per year to keep your systems up to date
- Technical Account Manager is a critical product-based support role that will serve as the key client interface for in-scope hardware and software, delivering partnership and consultancy, as well as direct engagement on high priority support cases
