

Influencer Sentiments on IBM & SAP Partnership Announcement

"Congrats to @IBM and @SAP on your partnership. It's a new day in the world of #HR."

- Brian Moran
@brianmoran

"IBM & SAP unveiled their new cloud journey. New power for hiring, growing, and retaining workforce."

- Cheryl K. Burgess
@ckburgess

"Great to see #IBMSAP making it easy for #HR data to flow #cloud-to-cloud. Silos bane to modern IT."

- Dion Hinchcliffe
@dhinchcliffe

"Greater data sets across HR spectrum = better decisions on hiring, growing & retaining work force."

- Denise Holt
@DeniseHolt1

"Continuity of service is the most important thing to most consumers. When integration is seamless, we can truly use HR systems as they were meant- which is to improve the business."

- Janine Truitt
@CzarinaofHR

"With the IBM and SAP alliance, you're positioning not just your organization, but your people for greatness. When technology, people, and process intersect in purposeful ways, clear insights emerge and can navigate a business ahead of its competition."

- Shawn Murphy
@TheShawnMurphy
