Rtl Dev AIX/Lnx 3 yr Aft Lic	3470
Rtl Dev AIX/Lnx 3 yr Aft Lic	3471

Effective June 30, 2020, IBM will no longer deliver Zend Server Basic edition with the IBM i operating system (5770-SS1).

- Clients who wish to continue using Zend Server Basic edition can acquire the product directly from Zend.
- Clients can continue developing and deploying their PHP applications on Zend Server Professional and Zend Server Enterprise editions for IBM i, which will be supported directly by Zend. See [Transform Your IBM i Power[®] Systems into Platforms for Innovation](#).
- Clients who wish to use the open source Community PHP, see [Installing Community PHP on IBM i](#).
- Clients who require support for Community PHP or other Open Source products may acquire an Open Source Support contract from IBM. See [Speed innovation with open source support](#). Clients may explore other solutions for PHP code development such

as PHPStorm or VSCode. This is not a comprehensive list of replacement products. Other companies and open source communities may offer PHP code development solutions.

Effective June 30, 2021, Zend Server Basic Support is withdrawn for all Zend Server delivered with IBM i. For IBM i clients who have acquired Zend Server with IBM i, the last date to register Zend Server for one-year Zend Server Basic Support is June 30, 2020. Any registrations for Zend Server Basic Support after June 30, 2020 will result in end of Zend Server Basic Support effective June 30, 2021. Zend Server Professional and Zend Server Enterprise editions for IBM i will continue be supported directly by Zend.

On or after the effective dates of withdrawal, you can no longer order these products, part numbers, and features codes directly from IBM or an IBM Distributor.

Replacement program information

None

Order processing

Orders received on or after the effective date of withdrawal will not be filled.

For new orders, the client-requested arrival date (CRAD) must be prior to the effective date of withdrawal.

Technical support

Remote technical support is provided as defined by the International Passport Advantage^(R) Agreement.

See the [IBM Support](#) website for program support information.

Trademarks

IBM, Rational, AIX, Passport Advantage and Power are registered trademarks of IBM Corporation in the United States, other countries, or both.

Linux is a registered trademark of Linus Torvalds in the United States, other countries, or both.

Other company, product, and service names may be trademarks or service marks of others.

Terms of use

IBM products and services which are announced and available in your country can be ordered under the applicable standard agreements, terms, conditions, and prices in effect at the time. IBM reserves the right to modify or withdraw this announcement at any time without notice. This announcement is provided for your information only. Additional terms of use are located at
