## IBM SAP SuccessFactors Continuum

Tailored support for your  
SAP SuccessFactors instance

**IBM® SAP SuccessFactors Continuum meets your dynamic needs and budget for HR guidance, consulting and expertise.**

After an SAP SuccessFactors deployment, IBM SAP SuccessFactors Continuum provides your organization with ongoing global services as needed.

### Guide

Get access to SAP SuccessFactors expertise for longer-term guidance with a predictable, low-cost fee structure. IBM SAP SuccessFactors Continuum services help solve human resources (HR) operational issues on a continuing basis. This approach can be ideal for organizations working with budget constraints or limited HR domain expertise.

Use IBM SAP SuccessFactors Continuum to continually optimize and transform your HR operations. We will provide overnight resolution of your challenges, so you can focus on your business.

- Access to expertise
- Predictable costs
- Budget friendly
- Overnight response

### Consult

IBM SAP SuccessFactors Continuum services can provide you with experienced consultants for world-class delivery, on-demand. Or, if you want to enable your own team with expertise, we act as a helping hand when you need it to support your team on their schedule.

IBM is a trusted collaborator that brings SAP SuccessFactors experience to help your organization succeed. Having learned from our own transformation journey and experiences, IBM helps other organizations innovate and reinvent.

- Helping hand
- Lead to teach
- On-demand pricing
- Response in 8 hours or less

## Advise

This offering is especially helpful for clients who need continuous support and improvement for proactive assessment, management and optimization of your SAP SuccessFactors instance. As a trusted advisor, we drive continued innovation to help maximize your ROI, with a deep understanding and holistic view of your organization's goals.

Use IBM SAP SuccessFactors Continuum to solve your HR operational challenges with confidence. Our role is to deliver expert advice to help drive value within your company.

- Strategic partner
- Fixed and flexible fees
- Proactive support
- Tiered service levels

## Why IBM?

IBM puts the power of innovative technology to work to modernize and reinvent HR.
