

IBM Global Financing

Replace upfront costs with more affordable monthly payments, with **competitive financing rates** for 12 months.

Financing options for your IBM Power Systems solution

Leasing

- Pay for the use of the system during the lease term, with several options at end of lease.
- Lower total cost of ownership.
- Shifts obsolescence and disposal risk to IBM Global Financing.

Total solution financing

- Customize a financing package for your entire IBM® Power Systems™ solution project to match costs to expected benefits over time.
- Can include IBM and non-IBM hardware, software and services.

Payment plans

- Pay for the solution over time with more affordable monthly or quarterly payments — helping minimize upfront cash outlays.
- Choose from flexible payment terms with competitive interest rates.

IBM Global Financing experts understand credit and technology risk.

For over 35 years, IBM has helped companies meet their IT needs more affordably and more flexibly.

IBM Global Financing offerings are provided through IBM Credit LLC in the United States and other IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates and availability are based on a client's credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-hardware items must be one-time, non-recurring charges and are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries.
