

A photograph of a Bosch building facade. The word "BOSCH" is displayed in large, red, 3D block letters on a grey, perforated metal panel. Below this, the building's facade is composed of dark grey, rectangular panels arranged in a grid pattern. The sky is visible in the upper right corner, showing a light blue and white gradient.

**BOSCH**

“Using IBM POWER8 systems for the SAP HANA deployment gives us **much more flexibility** than we had before.”

—Eric Thorwirth, Senior Manager Server Services, Bosch
