

A partnership you can count on.

Warranty Service Upgrade

Rely on IBM Technology Support Services to help you get the most from your IT Infrastructure.

Service that's there when you need it—not just during business hours.

Upgrade your current manufacturer warranty with prompt, onsite technical support in the event of a problem.
With IBM TSS Warranty Service Upgrade, you'll get:

24x7 service
We've got you covered around the clock.

Onsite support
Not remotely—we're physically there on site.

Quick response
We respond fast if there's a problem to shorten the outage.

Committed support
For call-back, onsite response, or time to fix*.

Business continuity
Your staff can stay focused on business-critical goals.

IBM TSS Warranty Service Upgrade helps you reduce:

Hardware-related downtime.

Potential repair costs.

Loss of data, revenue, and productivity.

Increased IT availability and reduced risk exposure can help improve client satisfaction.

Find out how upgraded support services can help your business:
