IBM Global Financing can guide you through a range of flexible solutions and services for managing your portfolio.

- Solutions include customized lease extensions and base lease extensions associated with hardware upgrades.
- We also offer buyback or disposal of your owned equipment.

End of Lease Options:

**Extend on a monthly basis:** flexibility that can help you align to new projects and return the equipment with just one month’s notice.**

**Return:** return the equipment. Even if this was your initial intention you can always change your mind when you get closer to the end of lease date.

**Buy:** buy and refinance your leased equipment.

**Renew:** lease renewals available beyond the original end of lease date. Don’t forget to renew your maintenance agreement too.

If you are not ready to make a decision at end of lease, we will automatically extend on a month by month basis.

Our specialists will guide you.

We provide various end of lease options for returning or keeping your equipment.

IBM Global Financing can guide you through a range of flexible solutions and services for managing your portfolio.

IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates and availability are based on a client’s credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-hardware items must be one-time, non-recurring charges and are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries. IBM and IBM Global Financing do not, nor intend to, offer or provide accounting, tax or legal advice to clients. Clients should consult with their own financial, tax and legal advisors. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client.
