IBM Financing offerings are provided through IBM affiliates and/or subsidiaries and divisions worldwide to qualified commercial and government clients. Payment options and terms are based on a client's credit rating, offering type, equipment, product type and options, and may vary by country. This offering does not guarantee that credit will be provided. Payment options for non-IBM content, which is part of an overall IBM end-user client solution, may also be eligible through IBM Financing. Other restrictions may apply. Payment options are subject to change, extension, or withdrawal without notice and may not be available in all countries. For certainty, the provision of offerings by IBM and IBM Financing do not, nor intend to, offer, or provide accounting, tax, or legal or regulatory compliance advice to clients. Clients are responsible for and should obtain their own expert advice, including consulting with their own financial, tax, and/or legal advisors, as applicable. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client.

IBM Financing lease and financing offerings are provided in the United States through IBM Credit LLC. For IBM Credit LLC in California: loans are made or arranged pursuant to a
