

**“Our migration involved multiple time zones, multiple countries and multiple languages, and our transition was smooth as silk.”**

—Lee Small, Senior Director, Veritas Technologies LLC

### Business challenge

After a divestiture from its parent company, Veritas Technologies needed to rapidly migrate its custom-built support services laboratory to a dedicated cloud environment while minimizing downtime.

### Transformation

Working together, IBM Business Partner Skytap Inc. and IBM Cloud Professional Services performed the migration within a tight delivery timeframe, moving all Veritas workloads to a dedicated IBM Cloud for Skytap Solutions environment, which includes a comprehensive managed services layer.

**Lee Small**  
Senior Director  
Veritas Technologies LLC

### Business benefits

**Offered faster migration**  
than with other solutions proposed

**Delivered in a tight timeframe**  
to meet a challenging deadline and avoid costly financial penalties

**Provided a seamless shift**  
To the new platform with near zero downtime for Veritas users

# Veritas Technologies

## Rapid migration with the IBM Cloud for Skytap Solutions platform

Veritas, a leader in multi-cloud data management, helps customers accelerate digital transformation and solve pressing business challenges, including data protection, storage optimization, compliance readiness and workload portability. Based in Mountain View, California, the company has over 7,000 employees in more than 35 countries worldwide. Veritas serves organizations of all sizes, including 86 percent of global Fortune 500 companies.
