IBM Philippines is proud to recognise the achievements of business partners who have excelled and delivered outstanding results in their areas of expertise, despite the challenges all of us faced in 2020 due to the pandemic.

Through the **Business Partner Performance Awards**, we celebrate all the noteworthy, remarkable and innovative accomplishments of our partners in the Philippines.

Congratulations to all the award winners!

Thank you for your unparalleled commitment to driving client success. We look forward to having better collaboration with you as we achieve even greater heights in 2021 and beyond!
