

Payment plans for IBM Services

Align your project's benefits to your IBM Services expenditures—succeed in a digitally disrupted world.

72%

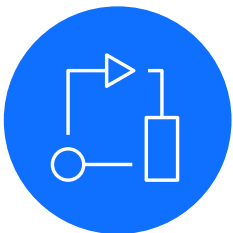

Percentage of businesses that believe they are susceptible to digital disruption in the next 3 years.¹

To avert digital disruption, enterprises must become digitally fluent, fully integrated and agile as they reinvent their businesses and technologies.

IBM Services, your Digital Reinvention™ partner, has the skills to provide innovation and execution. We can help you design, build and run businesses at speed and scale.

Take advantage of a customized payment plan to help you:

Improve cash flow

Accelerate project approval and implementation

Align project costs to anticipated benefits

Minimize up front cash outlays to help meet other strategic needs

IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates and availability are based on a client's credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-hardware items must be one-time, non-recurring charges and are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries.
