

**IBM/Watson Top 100 Hospitals Program
Community Health with a Focus on Equity**

A full description of best practice standards is available at <https://americanhealth.jhu.edu/news/measuring-hospital-contributions-community-health-focus-equity>

Please attest to those best practice standards met by your hospital, with the specific requirements provided in the link marked “details.” We understand not all standards may be applicable to all hospitals.

For each standard, you may add a weblink that provides details about your work in this area.

Best Practice Standard	Attestation	Add Link for More Details (optional)
