Overview

The support for Pivotal Cloud Foundry with an MQ Advanced for Developers container image will not be available at the general availability date of MQ V9.1.2 as previously announced in Software Announcement [219-015](#), dated February 5, 2019. The release of this feature has been delayed.

IBM^(R) intends to deliver the following new capability once it is available, without needing to wait for a specific Continuous Delivery release:

- A container image of MQ Advanced for Developers for the Pivotal Cloud Foundry platform

Statements by IBM regarding its plans, directions, and intent are subject to change or withdrawal without notice at the sole discretion of IBM. Information regarding potential future products is intended to outline general product direction and should not be relied on in making a purchasing decision. The information mentioned regarding potential future products is not a commitment, promise, or legal obligation to deliver any material, code, or functionality. Information about potential future products may not be incorporated into any contract. The development, release, and timing of any future features or functionality described for IBM products remain at the sole discretion of IBM.

Effective date

April 2, 2019

Section 508 of the US Rehabilitation Act

The following programs and appliances are capable, as of April 2, 2019, when used in accordance with associated IBM documentation, of satisfying the applicable requirements of Section 508 of the Rehabilitation Act. This is based on any assistive technology that is used with the product that properly interoperates with it. A US Section 508 Accessibility Conformance Statement can be requested on the [Product accessibility information](#) website.

IBM Global Financing

IBM Global Financing offers competitive financing to credit-qualified clients and IBM Business Partners to assist them in acquiring IT solutions. Our offerings include financing for IT acquisition, including hardware, software, and services, from both IBM and other manufacturers or vendors. Offerings (for all client segments: small, medium, and large enterprise), rates, terms, and availability can vary by country. Contact your local IBM Global Financing organization or go to the [IBM Global Financing](#) website for more information.

IBM Global Financing offerings are provided through IBM Credit LLC in the United States and other IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates are based on a client's credit rating, financing terms, offering type, equipment type and options, and may vary by country. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice.
