Overview

Effective February 1, 2019 and April 19, 2019, IBM^(R) will withdraw from marketing the following machine types and selected IBM Power SystemsTM features listed in the [Withdrawn products](#) section. On or after the effective dates of withdrawal, you can no longer order these products directly from IBM. Field-installed features associated with the machine types not listed in this announcement continue to be available.

You can obtain the products on an as-available basis through IBM Business Partners.

If you have a continuing need for these machine types and models, go to the [IBM Certified Pre-owned Equipment](#) website to check on availability or utilize the request a quote to communicate your specific requirements. IBM Certified Pre-owned Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days.
