Hardware withdrawal: IBM Tape 1 Gb Grid Dual Port Optical SW Connection feature - No replacements available

Table of contents
1 Overview
1 Withdrawn products
1 Replacement product information

Overview

Effective June 14, 2019, IBM® will withdraw from marketing the following feature. On or after the effective date of withdrawal, you can no longer order this feature directly from IBM.

You can obtain the product on an as-available basis through IBM Business Partners.

If you have a continuing need for this machine/model type, go to the IBM Certified Pre-owned Equipment website to check on availability or utilize the request a quote to communicate your specific requirements. IBM Certified Pre-owned Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days.
