Withdrawn programs

Clients with existing entitlements to the withdrawn Db2 Edition will receive a corresponding number of entitlements to the Db2 Standard or Advanced Edition. For some clients, these entitlement ratios will potentially not be sufficient to cover their current set of Db2 deployments. For these clients, contact an IBM representative to ensure the correct number of entitlements for your current deployments as of the withdrawal from market date are fully licensed.

Effective on the dates listed, IBM will withdraw from marketing select part numbers from the following programs licensed under the IBM International Program License Agreement:
