Financing IBM Cloud Paks

Invest in a faster, more reliable way to modernize and move to the cloud—with flexible financing options

As organizations continue to deploy cloud-based technologies to deliver innovation at a scale and lower cost, IT executives are looking for options to move more workloads, faster to the cloud.

To provide a quick, more reliable move to the cloud, IBM offers a family of IBM Cloud Paks™ that give developers, data managers and administrators an open environment to deploy modern enterprise software either on-premises or in the cloud.

IBM Global Financing offers flexible payment plans for IBM Cloud Paks to help you get started quickly while helping reduce budget obstacles, preserving cash and improving your cash flow.

One resource to finance all your IBM and Red Hat technology needs

Call on IBM Global Financing to help fund IBM solutions and services. Our range of financing solutions include:

- **Loans at competitive rates** to preserve capital to meet other expenses
- **Deferred payments** to accommodate budget challenges
- **Flexible leases** that align to accommodate specific timeframes and enhance cash flow

Highlights

- Speed deployment of your cloud environment while reducing upfront payments
- Gain financing flexibility with customized funding for your Cloud Pak
- Finance your entire IBM solution, including Red Hat technology
- Consult with IT financing experts who offer global experience
• **IBM Project Financing™** to finance IBM software, infrastructure, and services—so you can rely on one resource for a comprehensive and integrated funding solution

IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. IBM Global Financing lease and financing offerings are provided in the United States through IBM Credit LLC. Rates and availability are based on a client’s credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-IBM content which is part of an overall IBM end user client solution may also be eligible for financing through IBM Global Financing. Non-hardware items must be one-time, non-recurring charges and are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries. IBM and IBM Global Financing do not, nor intend to, offer or provide accounting, tax or legal advice to clients. Clients should consult with their own financial, tax and legal advisors. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client. For IBM Credit LLC in California: Loans made or arranged pursuant to a California Financing Law license.

All statements regarding IBM’s future direction and intent are subject to change or withdrawal without notice, and represent goals and objectives only.
