

Why It May Be Time To Reconsider Your Approach To Open Source Support

1. WIDESPREAD ENTERPRISE USE OF COMMUNITY AND COMMERCIAL OPEN SOURCE LEADS TO COMPLEXITY.

2. COMPLEXITY LEADS TO CHALLENGES

- Security and risk
- Interoperability
- Personnel and resource support

3. PEER-TO-PEER COMMUNITY SUPPORT FALLS SHORT IN THE NEW ERA

Slow to respond

Relevant use cases

Interoperability concerns

4. ENTERPRISES NEED SUPPORT BEYOND TRADITIONAL METHODS

53% of enterprises do not know that other options exist... **but they do!**
