

Cloud Optimized Storage Customer Summit at IBM Edge 2016

September 21th, 2016, 8:30 a.m. - 12:30 p.m.
MGM Grand | Las Vegas, Nevada

Featuring IBM FlashSystem A9000, IBM FlashSystem A9000R, IBM Accelerate and IBM XIV Storage System Gen 3

Congratulations! You have been nominated to participate in the 8th annual Customer Summit featuring the expanding family of integrated offerings built from XIV grid-scale technology.

Our agenda includes:

- Executive keynote
- Roadmap discussion
- Customer stories, told by customers
- And much more...

Attend this year's summit to:

- Meet the people behind your solutions - developers, offering managers and executives
- Get an insider view of the offering's strategic vision and market positioning
- Give your feedback on the roadmap
- Meet other customers and hear their experiences

Spaces are limited! Confirm your attendance today by replying to this mail. We will reserve you a slot.

More reasons to attend the Customer Summit event at EDGE 2016

- Meet and learn from the experience and testimony of other customers like yourself
- Know the team behind the products and interact with them to deep dive into the offerings
- Be part of roadmap discussions and know more about short and long term strategic initiatives*
