B. Compliance with Procurement Laws

This Contract is the result of compliance with applicable procurement laws of the State of Texas. DIR issued a solicitation on the Comptroller of Public Accounts’ Electronic State Business Daily, Request for Offer (RFO) DIR-TSO-TMP-399, on May 16, 2017, for IBM Branded, Fujitsu Branded and Panasonic Branded Products and Related Services and Cloud Services. Upon execution of this Contract, a notice of award for RFO DIR-TSO-TMP-399 shall be posted by DIR on the Electronic State Business Daily.

C. Order of Precedence

For purchase transactions under this Contract, the order of precedence shall be as follows: this Contract; Appendix A, Standard Terms and Conditions For Products and Related Services Contracts; Appendix B, Vendor’s Historically Underutilized Business Subcontracting Plan; Appendix C, Pricing Index; Appendix D, Customer Relationship Agreement; Appendix E, Cloud Services Agreement; Appendix F, International Passport Advantage Agreement; Appendix G, Attachment for Multivendor Information Technology Recovery Services; Appendix H, Master Services Attachment for ServiceElite; Appendix I, E-rate Agreement; Appendix J, Statement of Work Template, Exhibit 1, Vendor’s Response to RFO DIR-TSO-TMP-399, including all addenda; and Exhibit 2, RFO DIR-TSO-TMP-399, including all addenda; are incorporated by reference and constitute the entire agreement between DIR and Vendor governing purchase transactions. In the event of a conflict between the documents listed in this paragraph related to purchases, the controlling document shall be this Contract, then Appendix A, then Appendix B, then Appendix C, then Appendix D, then Appendix E, then Appendix F, then Appendix G, then Appendix H, then Appendix I, then Appendix J, then Exhibit 1, and finally Exhibit 2. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

2. Term of Contract

The initial term of this Contract shall be two (2) years commencing on the last date of approval by DIR and Vendor, with three (3) optional one-year renewal. Prior to expiration of each term, the contract will renew automatically under the same terms and conditions unless either party provides notice to the other party 60 days in advance of the renewal date stating that the party wishes to discuss modification of terms or not renew. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

3. Product and Service Offerings

A. Products

Products available under this Contract include IBM branded products and such third party products as indicated in Appendix C, Pricing Index, and as may otherwise be agreed to by the parties in a Statement of Work. Vendor may incorporate changes to their IBM branded products and third party product offering; however, any changes must be within the scope of products awarded based on the solicitation described in Section 1.B above.

Third Party Products are those hardware, peripherals, accessories and software by other manufacturers or publishers that may be used as an attachment or embedded within an IBM Branded product to create, enhance or extend the functionality of IBM Branded product; or to create, enhance or extend the functionality of the authorized third party product which relies on an IBM branded product platform to function.

Vendor will provide the updated third party products list to DIR on a monthly basis or as soon as available, whichever comes first. Vendor may not add a manufacturer's product without pre-approval of DIR.

B. Services

Services available under this Contract are limited to the related services as specified in Appendix C, Pricing Index. Vendor may incorporate changes to their service offering; however, any changes must be within the scope of services awarded based on the posting described in Section 1.B above.

4. Pricing

Pricing to the DIR Customer shall be as set forth in Appendix A, Section 8, Pricing, Purchase Orders, Invoices and Payment, and as set forth in Appendix C, Pricing Index, and shall include the DIR Administrative Fee.

5. DIR Administrative Fee

Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$750.00.

B) All prices quoted to Customers shall include the administrative fee. DIR reserves the right to change this fee upwards or downwards during the term of this Contract, upon written notice to Vendor without further requirement for a formal contract amendment. Regardless of any other provision or other license terms which may be issued by Vendor after the effective date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of a Purchase Order for products licensed under this Contract, or the fact that such other agreement may be affixed to or accompany software upon delivery (shrink-wrap), the terms and conditions set forth in this Contract shall supersede and govern the license terms between Customers and Vendor. **It is the Customer's responsibility to read the Shrink/Click-wrap License Agreement and determine if the Customer accepts the license terms as amended by this Contract. If the Customer does not agree with the license terms, Customer shall be responsible for negotiating with the reseller to obtain additional changes in the Shrink/Click-wrap License Agreement language from the software publisher.**

B. Vendor Agreements

Services provided under this Contract shall be in accordance with Vendor Agreements as set forth in Appendices D-J of this Contract (Appendix D, Customer Relationship Agreement; Appendix E, Cloud Services Agreement; Appendix F, International Passport Advantage Agreement; Appendix G, Attachment for Multivendor Information Technology Recovery Services; Appendix H, Master Services Attachment for ServiceElite; Appendix I, E-rate Agreement; Appendix J, Statement of Work Template). C. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not (without prior written agreement from Customer's authorized signatory,) require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.

8. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.

- A. **Appendix A, Section 4, General Provisions, Subsection I, Data Location**, is hereby added to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts:

A State of Texas Customer can specifically request otherwise. For all local governments and education customers within the State of Texas, as well as Customers outside the State of Texas' jurisdiction, the question of data location shall be at the discretion of such Customers.

NOTE: CLIENTS SHOULD CONSIDER WHETHER THEY REQUIRE CONTINENTAL US-ONLY DATA LOCATION AND HANDLING AND MAKE VENDOR AWARE OF THEIR REQUIREMENTS.

- B. **Appendix A, Section 4, General Provisions, Subsection J, Confidentiality**, is hereby added to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts:

a. This Section 4 protects confidential information (Confidential Information) while maintaining each party's ability to conduct its respective business activities. The following terms apply when one party (Discloser) discloses Confidential Information to the other (Recipient) under the Agreement.

b. The Recipient of Confidential Information agrees to use the same care and discretion to avoid disclosure, publication or dissemination of the Discloser's Confidential Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate. Confidential information should be marked with a restrictive legend of the Discloser. If Confidential Information is not marked with such legend or is disclosed orally, the Confidential Information will be identified as confidential at the time of disclosure.

c. The Recipient may disclose, publish, disseminate, and use information that is: 1) already in its possession without obligation of confidentiality; 2) developed

independently; 3) obtained from a source other than the Discloser without obligation of confidentiality; 4) publicly available when received, or subsequently becomes publicly available through no fault of the Recipient; or 5) disclosed by the Discloser to another without obligation of confidentiality.

d. The Recipient may disclose Confidential Information to the extent required by law. However, the Recipient will give the Discloser prompt notice to allow the Discloser a reasonable opportunity to obtain a protective order.

e. The receipt of Confidential Information under this contract does not preclude Recipient from (i) assigning its employees in any way it may choose; or (ii) developing, manufacturing, marketing or providing products or services which may be competitive with products or services of Discloser, or entering into any business relationship with any other party.

f. The duty of Recipient to maintain the confidentiality of Confidential Information disclosed pursuant to this section continues for ten (10) years following the initial date of disclosure. Longer confidentiality terms may be included in an SOW. Nothing in this section negates a Recipient's obligations under relevant data privacy laws.

C. Appendix A, Section 5, Intellectual Property Matter is hereby restated in its entirety as follows:

The Customer will own the copyright in works of authorship that Vendor develops for the Customer under a Statement of Work (SOW) (Project Materials). Project Materials exclude works of authorship delivered to the Customer, but not created, under the SOW, and any modifications or enhancements of such works made under the SOW (Existing Works). Some Existing Works are subject to a separate license agreement (Existing Licensed Works). A program is an example of an Existing Licensed Work and is subject to the program terms. In any Statement of Work: 1) Vendor must specifically identify to Customer any Existing Licensed Works that are or will be incorporated into Vendor's deliverables; and 2) Vendor must use reasonable efforts to specifically identify to Customer any Existing Licensed Works that will be necessary for Customer's use of the Project Materials to be provided to Customer under the Statement of Work. Vendor grants the Customer an irrevocable (subject to Customer's payment obligations), nonexclusive, worldwide license to use, execute, reproduce, display, perform and prepare derivatives of Existing Works that are not Existing Licensed Works. Vendor retains an irrevocable, nonexclusive, worldwide, paid-up license to use, execute, reproduce, display, perform, sublicense, distribute, and prepare derivative works of Project Materials, subject to Vendor's duties of confidentiality, if any, inherent in the content of the Project Materials.

This requirement applies only to the contracts delineated above with regards to Vendor’s list prices (less any applicable discount) for products for a quantity of one (1) under like terms and conditions, and does not apply to volume discount/rebate purchase programs, or the like. This Contract shall be amended within ten (10) business days to reflect the lower price, which will be available for future transactions only.

E. Appendix A, Section 8, Pricing, Purchase Orders, Invoices, and Payments, G. Changes to Prices is hereby restated in its entirety as follows:
