How to access:

IBM® Micromedex®
with Watson® for
Mobile Browsers

With IBM Micromedex for Mobile Browsers, you can now get fast, reliable answers at your fingertips. Utilize the same level of functionality as Micromedex online, right from your mobile device.

To access Watson for Mobile Browser
Go to mobile.micromedexsolutions.com

Find your customer number for use outside of your facility:

- Log into www.micromedexsolutions.com
- Click “My Subscription” in the upper right-hand corner of the screen
- Use your customer number as your username and password for logging into Micromedex with Watson for Mobile Browsers when you’re not at your facility

To add a quick access icon to your home screen:

**iPhone – Open Safari:**
- Tap the Share icon at the bottom center of the web browser screen (this is a square box with an arrow pointing up)
- Tap Add to Home Screen (swipe right or left to at the bottom of the screen to see all your options. The button is a box with a + sign in the middle)
- The Micromedex icon is added to your home screen
- Tap the icon the next time to open Watson for Micromedex

**Android – Open Android Browser:**
- Tap create bookmark icon (this is the three dots to the right of the link window)
- Tap on the drop-down menu
- Tap Home Screen
- The link appears on your home screen
