

Affordable payment plans for Watson Supply Chain solutions

Highlights

- Drive innovation, modernize operations, benefit from AI and blockchain
 - Get more business value with flexible, predictable payments
 - Start sooner while preserving cash and credit lines
-

Deliver a unified experience to your customers sooner with financing

Watson Supply Chain solutions can give you unmatched visibility and insights so you can make informed decisions and mitigate disruptions before they impact your ability to deliver business results. Our AI and blockchain-fueled solutions empower supply chain professionals to proactively predict and mitigate disruption and risk. And they can deliver proactive customer experiences that drive growth and fuel business transformation.

To help you get started more quickly on your new or expanded Watson Supply Chain solutions, IBM Global Financing offers affordable payment plans that can turn upfront costs into predictable payments and let you preserve cash and credit lines for other strategic projects. We can even finance your annual and multi-year software-as-a-service (SaaS) subscriptions so you can get the best price while still making regular monthly payments.

Leverage IBM Global Financing's expertise in technology financing to create an optimal solution that brings you greater business value.

Put customers at the center of your relationship

Financing can help you maintain your competitive edge when you invest in transformative, AI and blockchain solutions that allow you to quickly adapt to changing needs.

Generate more business value and modernize business tooling by eliminating budget-related delays.

Improve alignment between cost and benefits by spreading out payments over time for a wide range of supply chain projects. For example, IBM Global Financing can fund up-front payments for SaaS subscriptions which allow clients to benefit from lower prices while retaining the option of repaying the loan month-by-month or on a custom payment plan.

Achieve your vision while conserving cash as you integrate your supply chain solutions into core business functions.

Support new initiatives and adapt to changing needs

As new technologies continue to drive disruption, there's a rapidly growing need to acquire innovative supply chain solutions. IBM Global Financing expertise can help you best leverage investments to take advantage of opportunities to engage with your audiences in more relevant ways.

Why IBM?

IBM Global Financing has been in operation for more than 35 years and serves clients in over 60 countries, spanning more than 20 industries. With a global reach and expertise in IT financing, working capital and credit, IBM Global Financing offers flexible payment plans and leasing solutions for IBM software, services and IT infrastructure including pre-owned servers and storage. Non-IBM content which is part of an overall IBM end user client solution may also be eligible for financing through IBM Global Financing.

IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. IBM Global Financing lease and financing offerings are provided in the United States through IBM Credit LLC. Rates and availability are based on a client's credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-IBM content which is part of an overall IBM end user client solution may also be eligible for financing through IBM Global Financing. Non-hardware items must be one-time, non-recurring charges and are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries. IBM and IBM Global Financing do not, nor intend to, offer or provide accounting, tax or legal advice to clients. Clients should consult with their own financial, tax and legal advisors. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client. For IBM Credit LLC in California: Loans made or arranged pursuant to a

California Financing Law license.
