

IBM Power buyback program for RISE with SAP

To help ease customer's transition to [RISE with SAP on IBM Power Virtual Server](#), IBM is launching a customized [investment program](#) to support early-stage migration assessments by SIs or resell partners, migration execution, and the deployment of surrounding non-RISE (SAP and non-SAP) workloads to IBM Cloud. This also includes a buyback offer for eligible IBM Power10 and Power11 processor-based servers in good and working condition, and consideration for other Power servers and OEM equipment running SAP on a case-by-case basis.

Let's talk

How it works?

Show us signed copy of RISE with SAP agreement or provide a letter indicating your desire to use IBM Power Virtual Server for RISE with SAP

Get the following details:
