

IBM Client Center Paris – Catering Options

Many catering options are available at the IBM Client Center Paris.

Catering & location

Breakfast, lunch, coffee breaks and cocktails can be set up in three different dining areas:

- The “Coeur de Verre” reception hall (capacity 300+ located on the ground floor);
- The “Rez de Jardin” (capacity 100 on -1 garden level);
- Dining room (capacity 24 for a seated meal, and about 40 for stand-up buffet/cocktail, located on the 5th floor with terrace).

Catering options

- Sit down breakfasts and lunches can be served in the dining room on the 5th floor.
- Casual breakfasts, buffet lunches and cocktails are organized in the Coeur de Verre, Rez de Jardin or the dining room.
- A large variety of menus and cocktails are available to choose from.
- Special catering requests are also available.
