

IBM Client Center

Equipment and other services

IBM Client Center provides different services to add value to your meeting. Welcome to book these special features and give your meeting that extra touch

Catering

IBM Client Center offers a wide selection of food, snacks and beverage. We can also help you customize a menu specific for your event.

Guided tours

We offer guided tours that give an overall view of our solutions and technical advances.

If you want to know more about a specific area we can get an expert of that too.

Video conferences

With Virtual meeting you can be a part of the conversation even if you're not on site. It's compatible with mobile devices, internet browsers and tablets.

Photography/film

If you want or need to document your event we can help you photograph and shoot moments of your time here at IBM Client Center. Give us a clear description of what you want and we will do our best to satisfy your needs.
