IBM IoT Exchange 2019
Unlock new value from data with AI
April 24–26, 2019 | Hilton Orlando

Sessions Information

Maximo Academy
TRIRIGA Academy
Engineering Academy
IoT Platform Academy
TRIRIGA Academy Keynote Sessions

Day 1 Keynote:
IoT, Biometrics and the Future of Design
Speaker:
• Kelly Bacon, Head of Americas Workplace Strategy, AECOM

Day 2 Keynote:
Real Estate and Facilities Management Optimization: TRIRIGA Portfolio Roadmap
Speakers:
• Kendra DeKeyrel, Director, Offering Management, IBM Watson IoT
• Paul Lacey, Offering Manager, IBM TRIRIGA
• David Blanch, Offering Manager, IBM TRIRIGA Building Insights
## TRIRIGA Academy Sessions Information

### Best Practices and Operational Excellence

Itching to join a grass-roots TRIRIGA User Group?

Want to connect locally and meet face-to-face with TRIRIGA Users to share best practices and accelerate your plans? Come to the TRIRIGA User Group kickoff session for the region that works best for you, and learn how connect with experienced TRIRIGA teams.

Wednesday Regional UG sessions include:

- East Coast
- Midwest
- South
- West Coast

Thursday Functional UG/BoF sessions include:

- Smart Buildings and IoT
- Capital Projects
- Facilities
- Lease Accounting and Administration
- Operations & Maintenance

Need to dig deep into a specific capability? Want to connect with TRIRIGA gurus to learn creative approaches to challenges and opportunities, and share some best practices of your own? Come to the TRIRIGA User Group kickoff session that meets your greatest interest and learn how to engage with a lively community.

IBM TRIRIGA Building Insights Technology Exchange ‘lab’: IoT sensor partners and IBM demo and discuss how to incorporate IoT to progress your Real Estate portfolio strategy.
