Have you thought about the future of your career? Technology is changing the way we work and affecting future career choices. In the era of digital transformation, IT professionals must adjust to a rapidly shifting technology and business landscape. Learn to leverage disruptive technology trends like cloud and cognitive at the IBM® Systems Technical University (TechU) in Orlando, Florida.

IBM TechU is the premier technical training conference for IBM Systems clients and business partners. You’ll learn how to plan, architect, install, configure, migrate, operate and tune your IBM infrastructure for today and tomorrow. Train to stay ahead with IBM Systems infrastructure.

Packed with a punch
Orlando TechU offers over 700 focused, in-depth training sessions and hands-on labs delivered by IBM Distinguished Engineers, developers or product experts.

Get certified
Save up to 50% on Systems hardware and software exams. But, hurry, certification testing is handled on a first-come, first-served basis and by appointment only.
