Have you thought about the future of your career? Technology is changing the way we work and affecting future career choices. In the era of digital transformation, IT professionals must adjust to a rapidly shifting technology and business landscape. Learn to leverage disruptive technology trends like cloud and cognitive at the IBM® Systems Technical University (TechU) in Orlando, Florida.

**Packed with a punch**
The Orlando TechU offers over 700 focused, in-depth training sessions and hands-on labs delivered by IBM Distinguished Engineers, developers or product experts.

**Get Certified**
Save up to 50% on Systems hardware and software exams. But, hurry, certification testing is handled on a first-come, first-served basis and by appointment only.
TechU

Featuring:
IBM Power Systems, IBM Storage and IBM Z

18 - 22 May 2020
Orlando, Florida

You’ll have the opportunity to:
– Sharpen your expertise with the A-team of the IBM Systems community
– Experience the latest technology
– Expand your professional network
– Learn from your peers

Who should attend:
The conference is designed for IBM clients, IBM Business Partners and IBM employees who share a technical vision and curiosity.

It offers skill-building technical breakout sessions, roundtables, demos and more.
