

This file contains additions/changes made to the Global Knowledge database for May 2026.

***** Note *****

In the June GKB we will be removing all OS/390 operating system entries. This is just a reminder that they will be removed permanently.

Vendor Name changes for May 2026

None

Product Name changes for May 2026

None

If you have any of the Vendors/Products listed above you will need to run Aggregator with COUNTUSAGEFULL=Y in order for usage data to be associated with the name change. If you don't have them then run with N.
