

IBM Planning Analytics Spreadsheet Services 2.0.70 SC - Fix List

Component	APAR	Description
Web	PH36815	Excel cursor is still visible in TM1 Web even though Excel sheet protection is enabled
	PH39171	Copy and paste of text with double quotes from TM1 Web to TM1 Web with word wrap using Alt+Enter doesn't work correctly
	PH39360	Planning Analytics spreadsheet not rendering data from quick report that used to work in Planning Analytics 2.0.9.1
