Tivoli® Storage Manager FastBack for Bare Machine Recovery

IBM®

Version 6.1.1.0

Quick Start Guide

This guide is intended to get you started with using IBM Tivoli Storage Manager FastBack for Bare Machine Recovery.

Product overview

You can use Tivoli® Storage Manager FastBack for Bare Machine Recovery to easily recover entire systems to a comparable server, to a new server with different hardware, or to a virtual machine (VMware or Microsoft® Virtual Server). Tivoli Storage Manager FastBack for Bare Machine Recovery is also a tool for performing server migrations, and for enabling a business resilience solution for remote branch offices.

1 Step 1: Access your software and documentation

To download your product from IBM Fix Central, follow the instructions in the download document available at http://www.ibm.com/support/docview.wss?uid=swg24026523.
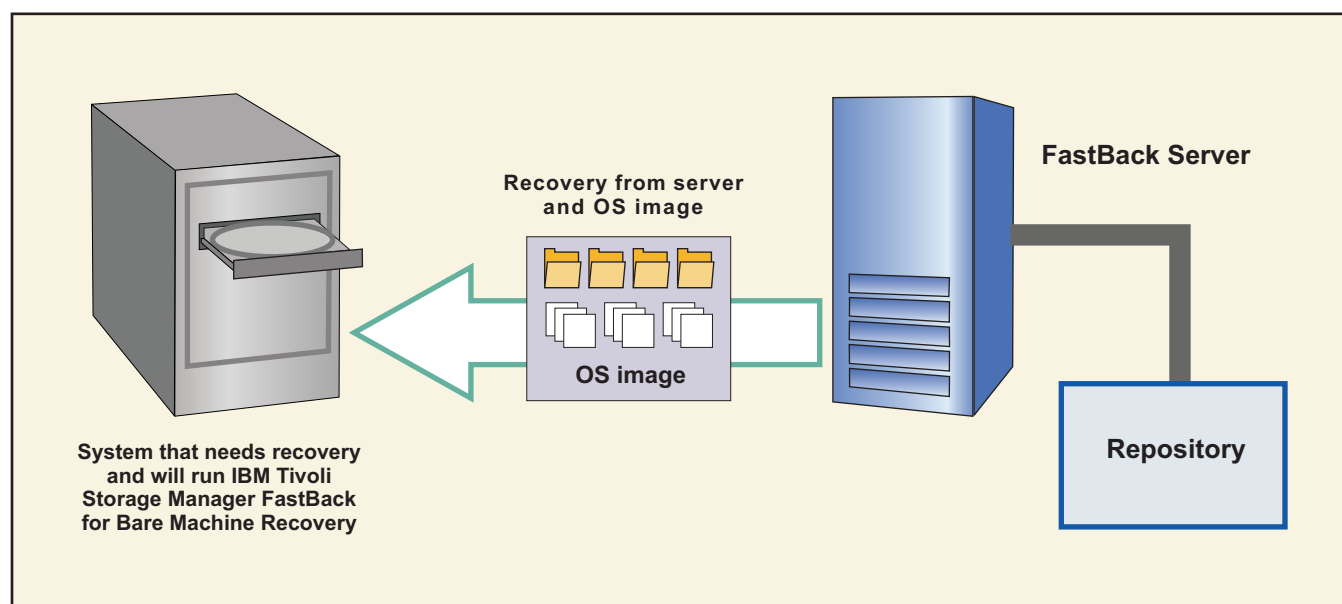

For complete documentation, including detailed configuration instructions, see the *Tivoli Storage Manager FastBack for Bare Machine Recovery User's Guide* in the Tivoli Storage Manager for Bare Machine Recovery Information Center: http://publib.boulder.ibm.com/infocenter/tsmfbinf/v6/index.jsp.

2 Step 2: Evaluate your hardware and system configuration

To locate the detailed system requirements, start here: http://www.ibm.com/support/docview.wss?uid=swg21315086

3 Step 3: Review the base architecture

Recovery from server and OS image

OS image

FastBack Server

Repository

System that needs recovery and will run IBM Tivoli Storage Manager FastBack for Bare Machine Recovery

4 Step 4: Install IBM Tivoli Storage Manager FastBack for Bare Machine Recovery

For Tivoli Storage Manager FastBack for Bare Machine Recovery, prepare and check the Tivoli Storage Manager FastBack for Bare Machine Recovery CD in advance of when you need to use it.

After preparing the Tivoli Storage Manager FastBack for Bare Machine Recovery CD, run the Tivoli Storage Manager FastBack for Bare Machine Recovery wizard to set up the recovery process. After you set up the recovery process, you can start the restore process.

Before you start, you need DVD authoring software and hardware.

Detailed instructions for building the Tivoli Storage Manager FastBack for Bare Machine Recovery CD are available in the *Tivoli Storage Manager FastBack for Bare Machine Recovery User's Guide* .

This document is available in the Tivoli Storage Manager FastBack for Bare Machine Recovery Information Center: http://publib.boulder.ibm.com/infocenter/tsmfbinf/v6/index.jsp
